

I Believe (*Inspirational Reading*)

I believe-

That we don't have to change friends if we understand that friends change.

I believe-

That no matter how good a friend is, they're going to hurt you every once in a while and, you must forgive them for that.

I believe-

That true friendship continues to grow, even over the longest distance.
Same goes for true love.

I believe-

That you can do something in an instant that will give you heartache for life.

I believe-

That it's taking me a long time to become the person I want to be.

I believe-

That you should always leave loved ones with loving words. It may be the last time you see them

I believe-

That you can keep going long after you can't.

I believe-

That we are responsible for what we do, no matter how we feel.

I believe-

That either you control your attitude or it controls you.

I believe-

That regardless of how hot and steamy a relationship is at first, the passion fades and there had better be something else to take its place.

I believe-

That heroes are the people who do what has to be done when it needs to be done, regardless of the consequences.

I believe-

That money is a lousy way of keeping score.

I believe-

That my best friend and I can do anything or nothing and have the best time!

I believe-

That sometimes the people you expect to kick you when you're down, will be the ones to help you get back up.

I believe-

That sometimes when I'm angry I have the right to be angry, but that doesn't give me the right to be cruel.

I believe-

That just because someone doesn't love you the way you want them to doesn't mean they don't love you with all they have.

I believe-

That maturity has more to do with what types of experiences you've had and what you've learned from them and less to do with how many birthdays you've celebrated.

I believe-

That it isn't always enough to be forgiven by others.
Sometimes you have to learn to forgive yourself.

I believe-

That no matter how bad your heart is broken the world doesn't stop for your grief.

I believe-

That our background and circumstances may have influenced who we are, but we are responsible for who we become.

I believe-

That just because two people argue, it doesn't mean they don't love each other, And just because they don't argue, it doesn't mean they do.

I believe-

That you shouldn't be so eager to find out a secret. It could change your life forever.

I believe-

That two people can look at the exact same thing and see something totally different.

I believe-

That your life can be changed in a matter of hours by people who don't even know you.

I believe-

That even when you think you have no more to give, when a friend cries out to you - you will find the strength to help.

I believe-

That credentials on the wall do not make you a decent human being.

I believe-

That the people you care about most in life are the essence of life.
Tell them today how much you love them and what they mean to you.
